

Dear Sir/Madam,

We cordially invite you to the **Lithuanian Biotech - Innovations in Health** session at the **BIO International Convention 2013** taking place in Chicago in April 2013. This session is a unique opportunity to discover Lithuania's potential and passion for the Life Sciences sector.

Do not miss your chance to learn more about:

- Life Sciences in Lithuania, changes in policies, infrastructure, industry and innovation
- Business demand and opportunities for clinical and regulatory partnerships
- Clinical landscape, key institutions and resources for cross border collaborations

**Session time:** Monday, April 22 2013, at 09.00-09.45

**Location:** Building S401 BC, McCormick Place, Chicago, Illinois

**Moderator:**

Gary Keller, President&CEO at Xomix, Ltd.

**Speakers:**

Martin Berardi, President of Moog Medical Devices Group

Milda Dargužaitė, Managing Director of Invest Lithuania

Arūnas Karlonas, Director of Agency for Science, Innovation and Technology

We look forward to seeing you in April!\*

\*Please RSVP to arrange a meeting with one of our session speakers during the event. RSVP to: Donata Mauricaite, e-mail: [d.mauricaite@enterpriselithuania.com](mailto:d.mauricaite@enterpriselithuania.com)

**About BIO International Convention 2013**

This global event for biotechnology will draw 16,500 CEOs, scientists and investors from around the world to learn about emerging bioscience technologies, to network with their peers and to showcase global business opportunities.

Please see the event brochure attached. For more information on the event, and to book your places, visit: [www.convention.bio.org](http://www.convention.bio.org).
